

The 2026 Arrigo Recordati International Prize for Scientific Research

APPLICATION FORM

Checklist for Applying for the International Prize for Scientific Research Arrigo Recordati 2026.

A research project will only be considered once the application is completed in full. To be considered eligible **(1)** this application form must be completed in full **(2)** this application form must be submitted alongside a curriculum vitae (CV), a Letter of Intent and the Project Summary Page. All application documents (application form, CV, Letter of Intent and Project Summary Page) must be in the English language. Incomplete applications and those received after the deadline (email receipt date) will not be considered and your data and documentation will be deleted according to the applicable term stated in our privacy notice.

Once completed, **all application documents** (application form, CV, Letter of Intent and Project Summary Page) **must be submitted via email:** recordatiprize2026@recordati.com

All personal data provided by the applicant will be processed in accordance with the Privacy notice, available at this <https://prize.recordati.com/applicant-privacy-policy>, and treated as strictly confidential and collected solely for communication purposes in relation to the research proposal only.

Please make sure to share the privacy notice with your co-investigators and any other individual mentioned in the documentation you submit to us.

Instructions on submission of the research project:

Please submit all documents electronically in PDF format and use the following naming:

- **1_Application Form_[Name of first author].pdf**
- **2_CV_[Name of first author].pdf**
- **3_Letter of Intent_[Name of first author].pdf**
- **4_Project_Summary_Page_[Name of first author].pdf**

1 No institutional indirect costs (e.g., overhead costs) will be added or subtracted to\from the grant. However, if there is a requirement for an indirect cost payable to the institution, a special request must be made to Recordati S.p.A. explaining the special circumstances. If approved, the maximum indirect rate would be 10% of the Prize
